ABOUT OUR SCHOOL

In the sub-urbs of Bastar district, in the tribal belt of Chhattisgarh is a small township “Kondagaon”, with the blessing of our Patron Fr. Blessed Chavara Kuriakose Elias an English medium school had been established in the year 1986, which was a dream come true for the people of Kondagaon. In the perimeter of 5 acres Chavara School is constructed on the National Highway No. 43. in a very serene surrounding. welldecorated with greenery all around. Initially the school started with the state board curriculum and in the year 2005-06 switched to ICSE and later for ISC. for providing better scope and spectrum to its students in education & career aspects.

The Chavara institution with its hard working and zealous faculty is providing education for over all developments of pupil from Nursery to XII. The success of the school is well witnessed with its 100% pass result in both ICSE and ISC. The school implements modern tools and aids in teaching with its well equipped and spacious laboratory for Physics, Chemistry, Biology and Computer science, introducing smart class room teaching from the academic year 2011-12.

The Chavara institution also exemplifies in the field of sports, art and culture. Many of our students have participated at the National and state level sporting events. In the year 2011 the school celebrated its silver jubilee celebration with great pomp, exhibiting its rich art cultural variety with such an excellence that it will be cherished by the people of Kondagaon for year to come.

“Our vision is to mould a new generation having deep faith in God and clear cut goal in life.”
